Dear Ernst:

Many thanks for writing to me about the talk that I gave at the Army War College on 9 June. It was a great pleasure to participate in this Seminar and I am glad to hear that your visit at Carlisle was so worthwhile.

I have received the excellent pipe and I am planning to break it in very shortly. It came at a good time since I recently broke one of my favorites and it is beyond repair. Your thoughtfulness in remembering me in this way is indeed appreciated.

I have noted your offer to help us and we will certainly keep this in mind should the occasion arise.

With every best wish and kindest personal regards,

Sincerely,

*I believe I mentioned this to you at Carlisle AWD
